*This year's Gala will benefit the children of Guatemala through our beneficiary who currently serves 250 children - **CASA GUATEMALA**. 100% of the funds from the Gala will upgrade and expand the septic system at Casa Guatemala. Any additional funds raised will also help rewire the electrical network at Casa Guatemala. By investing in this much needed infrastructure, thousands of children can be served over the next several years.*

We hope you will join us in giving the gift of HOPE to many children on Saturday, October 18th.....

Sincerely yours,
